Graduation Coach

Chelsey Bucherati

Athletic Director

Drew Ferrer

To Whom It May Concern:

My name is David Smart. I have served as a Physical Education teacher and Baseball Coach at Lambert High School for the past three years. I have had the pleasure to serve as a teacher and coach to Jack Petrofski all three years. I am happy to take this opportunity to highlight Jack for his accomplishments and experiences as a student at Lambert High School.

Jack is the type of student you remember with pleasure and want to see succeed in all his endeavors. I have known Jack since the beginning freshman year in high school and have seen him develop into an outstanding student and an incredible young man. I have witnessed multiple classroom interactions between Jack and his peers, and I have learned that he is positive and determined to succeed as well as help others achieve their goals. He can handle different situations and responsibilities while remaining full of grace and enthusiasm.

While academics is a top priority for Jack, he is also a student athlete who has successfully balanced school and athletics. He is an active member of the Lambert Varsity Baseball Team where he has played for three consecutive years. Jack has been an active member of both the BETA Club and National Honors Society. Balancing school and athletics are no easy tasks; however, Jack remains humble to achieve success while also staying determined to accomplish set goals.

Where Jack separates himself from others is his work ethic and dependability. He is determined to succeed in the goals he sets for himself and is resilient and tenacious in accomplishing these expectations. Since knowing Jack for three years, I have seen him set many goals and aspirations for himself in terms of academics, athletics, and serving his community through leadership positions at his church and as a member of the Young Men's service league.

Jack is a joy to see every day, and a student who I want to see succeed in all he takes on. I greatly admire his positive attitude, and the responsible, energetic, and compassionate qualities he possesses. Jack's leadership qualities are seen in his extracurricular activities both in and outside of school. Jack is a young man that has clear vision, has a deep interest and curiosity in the classroom, and will inspire others to reach greatness. He is extremely hard working, gracious, and reliable and I recommend Jack without hesitation.
